**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition.

I chose Sonic as the most cost-effective source of broadband without deceptive practices. I will be materially affected if you allow AT&T to squelch competition. There is little competition as it is. Prices will only go up for consumers if we have even less. Expansion of fiber optic networks will also be slowed.
